

Winnebago

Community Unit School District 323

Effective Students are engaged learners who set goals, are reflective critical thinkers, and who take ownership and P.R.I.D.E. in their education.

Effective Students apply skills learned; both academic and social.

Effective Students contribute to a caring, safe, and creative environment.

Effective Students explore, problem solve, and become independent learners for life.

Winnebago
Community Unit School District 323

Effective Teachers create a safe and caring environment, identify and meet individual needs, and inspire students to grow emotionally, socially, and academically.

- . We are sensitive to known social and emotional needs.
- . We have open and respectful communication with staff, parents, and students.
- . We have high expectations for our students.
- . We create a climate of collaboration.
- . We provide multi-sensory learning opportunities.

Effective Teachers are passionate life-long learners who create relevant and engaging learning experiences for students in order to prepare them for college and careers.

- . We try new initiatives.**
- . We are masters of our content.**
- . We are creative problem solvers.**
- . We help students become independent learners.**

Effective Teachers influence and guide the learning community to embrace teachable moments and achieve student success.

- . We collaborate with other teachers.**
- . We adapt to the needs of our students.**
- . We have clear instructional goals for our students.**
- . We give students opportunities to apply what we teach them.**
